December 16-20, 2021
Chongqing, P.R.China

The Society of International Chinese in Educational Technology (SICET) will organize its 10th International Conference of Educational Innovation through Technology (EITT2021) to provide a forum for researchers in technology and education areas to publish new research findings and exchange insights and experiences on related topics.

The conference will be held on December 16-20, 2021, in Chongqing, P.R.China. You are invited to present at EITT 2021 to share your expertise and innovative practices with your peers, professional practitioners, and researchers from various disciplines around the world. The first nine EITT conferences have been successfully held since 2012, with EITT2012 in Beijing; EITT2013 in Williamsburg, Virginia, USA; EITT2014 in Brisbane, Australia; EITT2015 in Wuhan, China; and EITT2016 Tainan, Taiwan; EITT2017 in Osaka, Japan; EITT2018 in Auckland, New Zealand; EITT2019 in Biloxi, MS, USA; and EITT2020 virtually due to the COVID-19 global pandemic.

Founded in 2003, the Society of International Chinese in Educational Technology (SICET) is a nonpolitical, non-profit academic organization. The mission of the SICET is to establish and strengthen international academic connections, exchanges, research, and scholarship among members in educational technology; advocate the application of technology in educational settings; and promote international collaboration of members and other scholars in the field.
